PROFILE

Partner and Chief Business Officer at Home Inn, a Dhaka firm that designs and builds architecture, interiors and custom furniture. BBA student at North South University with a background in accounting, budgeting and cost tracking, and an interest in how data supports financial decisions.

EXPERIENCE

Partner & Chief Business Officer 2026 – Present
Home Inn, Dhaka, Bangladesh

- Co-own the firm and share decisions on direction, spending and growth.
- Run budgeting, cost tracking and bookkeeping, and prepare the summaries the partners plan against.
- Set the advertising approach, and designed the firm's brand identity and company profile.

AI Marketing Advisor 2026 – Present
Haifa Intelligence, Dhaka, Bangladesh

- Advise on campaign ideas, messaging and audiences for AI-made posters and videos.
- Turn client needs into clear requirements for custom models, and check output for brand fit.

Senior Accountant Jul 2022 – Jan 2025
Steam Store Bangladesh, Dhaka, Bangladesh

- Kept the daily books for sales, payments and expenses, and matched payments to orders.
- Prepared regular sales and expense reports in Google Sheets for management.

PROJECTS

CreditSense AI — Loan Approval Prediction Python, scikit-learn
Banking domain contributor

Team project comparing five loan-approval models. I covered the banking side and framed model errors in lending terms.

LEADERSHIP

Assistant Organizing Secretary Dec 2021 – Dec 2022
Monipur School and College Science Club

Helped plan and run the club's science fairs and handled committee administration.
