PROFILE

BBA student at North South University with over two years of hands-on accounting experience in online retail. Co-partner of HomeInn and marketing advisor to Haifa Intelligence, an AI studio. Particularly interested in how data can support financial decisions in lending, budgeting and cost forecasting.

EDUCATION

North South University Summer 2025 - Present
Bachelor of Business Administration (Hons.) *Dhaka, Bangladesh*

EXPERIENCE

HomeInn 2026 - Present
Co-Partner & Finance *Dhaka, Bangladesh*

- Co-own the business and share in key decisions on direction, spending and growth with the other founders.
- Run budgeting, cost tracking and bookkeeping, advertising strategies and prepare the financial summaries used for planning.

Haifa Intelligence (haifa-ai.com) 2026 - Present
AI Marketing Advisor *Dhaka, Bangladesh*
AI studio that trains its own business-tailored models, and ships/hosts them privately for individual/commercial businesses.

- Advise on campaign ideas, messaging and target audiences for AI-made posters and promotional videos.
- Help translate what client businesses need into clear requirements for their custom AI models.
- Review generated content for brand fit and clarity before it reaches clients.

Steam Store Bangladesh Jul 2022 - Jan 2025
Senior Accountant *Dhaka, Bangladesh*
Online store selling digital products.

- Kept the daily books for sales, payments and expenses, and matched incoming payments against orders.
- Monitored transactions to flag unusual fluctuation, and plan accordingly.
- Prepared regular sales and expense reports in Google Sheets for management.

PROJECTS

CreditSense AI: Loan Approval Prediction github.com/Danial-Dirar/CreditSense-AI
Banking Domain Contributor *Python, scikit-learn*
Team machine learning project comparing five classifiers for loan approval, with leak-free, cross-validated evaluation.

- Explained how lenders weigh credit history, income and loan amount, bringing a banking view to the team.
- Helped frame model errors in lending terms, where approving a risky loan costs more than declining a safe one.

LEADERSHIP & ACTIVITIES

Monipur School and College Science Club Dec 2021 - Dec 2022
Assistant Organizing Secretary *Dhaka, Bangladesh*

- Helped plan and run the club's science fairs, from scheduling and logistics to coordinating participants.
- Handled executive and administrative work for the club committee.
